

SUCCESSFUL PILOT TESTING OF INACTION WORKSHOPS

We are thrilled to share insights from our pilot testing phase of the Circular Economy In Action (InAction) project! Over the past months, we conducted six interactive workshops across Greece, Cyprus, and Poland, empowering youth with zero-waste practices and sustainable habits.

WORKSHOP HIGHLIGHTS

- 📍 Recycling for a Greener Future (Karditsa, Greece)
- ✅ 100% of participants found the zero-waste strategies easy to understand and implement.
- ✅ Interactive activities played a crucial role in enhancing engagement.
- 📍 Cooking with Leftovers (Nicosia, Cyprus)
- ✅ Participants gained practical skills for reducing food waste in daily life.
- ✅ The workshop received positive feedback on accessibility and relevance.
- 📍 Swap Buzz (Nicosia, Cyprus)
- ✅ Hands-on experiences reinforced the importance of swapping and reusing items.
- ✅ Participants suggested adding more real-life case studies.
- 📍 DIY Zero-Waste Cosmetics (Biały Kościół, Poland)
- ✅ Highly interactive, with all participants receiving practical resources.
- ✅ Suggestions for adding more tailored activities.
- 📍 Sustainable Shopping (Biały Kościół, Poland)
- ✅ 72% of participants found the content practical and relevant.
- ✅ A need to further tailor content to meet diverse learning needs.
- 📍 Innovating for a Sustainable Future (Karditsa, Greece)
- ✅ Green technology and sustainability strategies were well received.
- ✅ 100% of participants reported increased confidence in implementing sustainable habits.

Learning by Doing: Focus on Practical Skills

The workshops were structured to encourage active participation, hands-on learning, and practical application of zero-waste strategies. Participants engaged in group discussions, interactive activities, and real-life applications, fostering a deeper understanding of sustainability.

Explore Our Published Guide!

Our comprehensive Youth Guide to Zero-Waste Living is now available! Packed with practical tips and activities, it serves as a valuable resource for young people and educators looking to promote sustainability.
